Wilderness Canoe Base

Nurturing Christ-Centered Identity Through Wilderness Experience

Explore the Majesty—Canoe Trips

Wilderness canoe trips are the mainstay of the WCB program. Experience God while exploring the Boundary Waters Canoe Area and the Superior National Forest.

Service in Mission—Building Crews

After the devastation of the Ham Lake fire, Wilderness Canoe Base is rebuilding. Develop a legacy and enhance the ministry of all who are served.

Live in Abundant Community—Island Camp

Experience the community atmosphere of Wilderness Canoe Base. Play Voyageur games, meditate within a forest, rock climb, or go for day paddles.

Hear the Whisper—Retreats

Retreat season at Wilderness is a time to reflect and hear God's whisper. Come as an individual or form a group.
